

# KIDS ARE STRICTLY BUSINESS

The Children's Museum has a Corporate Membership Program we'd like you to know more about.

Most of you are familiar with the Museum's many educational and interactive exhibits like Playspace, Computers, Grandparent's House and City Slice. But you may not be aware of the variety of other programs and services we offer including:

- Special Needs Program
- Work Experience for Teenagers
- Study Storage
- School and Group Visits
- Free Friday Nights

Corporate Members help the Museum underwrite the costs of services to the 700,000 children and adults we serve annually. Does your Company have a Corporate Membership with us?

Corporate Memberships start at \$100 and go up, so your Company can choose the appropriate level at which to join. If you think your Company would be interested in a Corporate Membership, please ask your Personnel Department or Employee Activity Coordinator to give us a call at 426-6500, ext. 248. Drew Souerwine, our Development and Membership Manager, will be happy to give you more information.

The Children's Museum . . . because kids are everybody's business!
