

Cover, 1920 Annual Report

We are pleased to dedicate
a new permanent exhibit
that evokes the Museum's wonderful past
and honors so many of those
who have played important roles
in making it a splendid resource
for generations of Boston children.

Because you are one of those people,
we hope you'll join us
for the dedication program,
behind the scenes tours,
and a reception following.

March 30, 1981
4:00-8:00 p.m.
