## December Holiday Specials

### DECEMBERFEST

It's Decemberfest time at the Children's Museum! What's Decemberfest? It's a multi-cultural festival of the winter holidays happening every Saturday and Sunday in December. Community members from twelve different cultures will be at the Museum to help celebrate winter holiday traditions. Do you know how our Afro-American friends celebrate Kwanza? You can find out about Kwanza, or perhaps you'd like to sample a Scandinavian cookie, or how about singing a Hanukkah song? Italian, Greek, and Armenian cultures will also be represented. Come and join us for Decemberfest and celebrate some winter holidays. Call the What's Up Line at 426-8855 for further schedule information.
