

One good time deserves another.

You've had a great time at the Children's Museum - exploring Grandparents' House, playing with the computers, learning all about life in Japan; now it's easy to bring that same pleasure to your friends or relatives with a Gift Membership.

As members of New England's liveliest family museum, your friends will be entitled to unlimited free admission and to discounts when making Museum purchases or signing up for courses, workshops and kits. They'll also be kept fully informed of the Museum's activities through newsletters, special notices, and invitations to special events. And, they'll be able to bring their friends at a discount!

A Sponsor's membership includes all the benefits of a family membership and enables the Museum to sponsor visitors who are unable to pay.

A Family membership is for one set of parents and their children aged 3 to 15. An Adult membership is great for teachers, community workers, and all adults with a special interest in children's education.

A Kid's Express Card/Child membership has a special card just for kids. Borrower's privileges added to any of the above categories entitle the member to free borrowing of books, media, and other educational materials and an introductory tour of the Resource Center.

Give a Boston Children's Museum gift membership.

Dear \_\_\_\_\_  
 Here's a membership to the Boston Children's Museum, New England's liveliest family museum. Have a great time!!  
 From \_\_\_\_\_

Simply fill out the five items below in your best printing and we'll do the rest. The new membership card comes with a letter explaining the benefits, a copy of our current newsletter, and a handsome window decal. Memberships are valid for one year from date of issue. If you would like the membership sent directly to your friend or relative, fill out the gift card below and we'll enclose it.
